SmarTap

VictoriaPlum.com

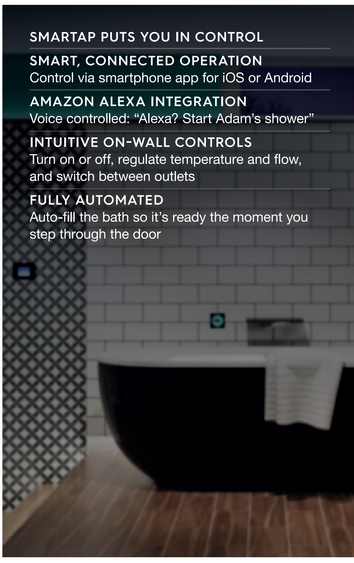
SMARTAP PUTS YOU IN CONTROL

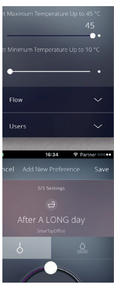
SMART, CONNECTED OPERATION
Control via smartphone app for iOS or Android

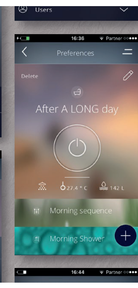
AMAZON ALEXA INTEGRATION
Voice controlled: “Alexa? Start Adam’s shower”

INTUITIVE ON-WALL CONTROLS
Turn on or off, regulate temperature and flow, and switch between outlets

FULLY AUTOMATED
Auto-fill the bath so it’s ready the moment you step through the door







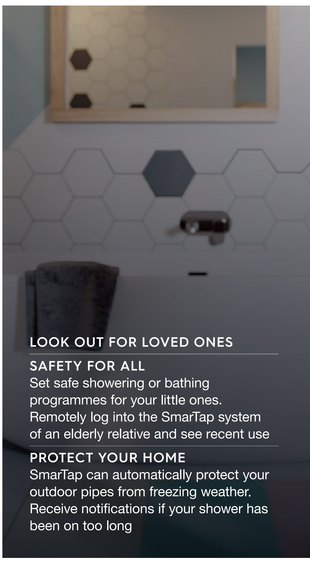
PERSONALISE YOUR EXPERIENCE

PART OF YOUR SMART HOME
Integrates with other smart products

FUTURE-PROOF
Your shower will get better over time with secure, automated software updates

TEMPERATURE AND FLOW
Control to within 0.1°c. Set a maximum flow rate to save water

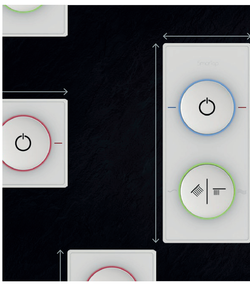
SEQUENCING
Create personalised scenarios and enjoy the perfect experience every time



LOOK OUT FOR LOVED ONES

SAFETY FOR ALL
Set safe showering or bathing programmes for your little ones. Remotely log into the SmarTap system of an elderly relative and see recent use

PROTECT YOUR HOME
SmarTap can automatically protect your outdoor pipes from freezing weather. Receive notifications if your shower has been on too long



EASY INSTALLATION

OUTSTANDING RELIABILITY
German valve technology ensures the highest standards possible

REASSURING BUILD QUALITY
Shower controls are finished in Gorilla glass and IPX6 rated for waterproofing

JOB DONE
Sensor technology means installers can check for issues once SmarTap has been installed

CUSTOMISE YOUR BATHROOM

3 OUTLET SYSTEM
SmarTap can power up to 3 independent outlets, giving you more options

WORKS WITH ALL COMPONENTS
Want to combine an overhead shower from Mode Bathrooms with a slider rail kit from Grohe? No problem

2-IN-1
Along with your shower, SmarTap can also control a separate bath or basin tap
